<p><i>Housing Counseling Program (HCP).</i> This program supports the delivery of a wide variety of housing counseling services to homebuyers, homeowners, low- to moderate-income renters, and the homeless. The primary objectives of the program are to expand homeownership opportunities and improve access to affordable housing. Counselors provide guidance and advice to help families and individuals improve their housing conditions and meet the responsibilities of tenancy and homeownership. Agencies funded through this program may also provide Home Equity Conversion Mortgage (HECM) counseling to elderly homeowners who are looking to convert equity in their homes into income that can be used to pay for home improvements, medical costs, and/or living expenses.</p>		<p># of homes purchased as a result of the program. # of people purchasing homes as a result of the program. # of homes whose mortgages are paid on a timely basis at 6 months, 1 year. Reduction in number of foreclosures. # of people remaining in their own homes at 6 months, 1 year. # of people maintaining tenancy in rental units 90, 180 and 360 days after counseling.</p> <p>Above applied to elderly, low-income, homeless, etc.</p>
